

Rotary

Club of Nairobi Thika Road

Dear Friend of RC Nairobi Thika Road,

Our club has organized a charity fundraiser on Saturday, 20th July, in support of our service projects and we would like to seek your generous support to partner with us.

We are hosting Rotarians and their families and friends to watch The Lion King movie and extend the invite to you as well.

In addition to this, we request your support to sponsor less privileged children in our society to see this movie as part of our mentorship programme - we are looking to inspire them in their life's journey.

Please see adjacent categories for ways that you can support.
